

SHUTTER SQUARE

Date: 31-08--2022

Guide: Ms.Meera Rose Mathew

1. Project Overview?

Freelance photography website is a website that helps photographers to share there works and contacts, so that client can contact them for work. This website will work as an advertisement for the firm. It is a simple way for photographers to promote them by just adding there works that they have already done. Joined photographers can upload there photographs, videos and works previously done by them in the website.

2. To what extend the system is proposed for?

This system is extended to save the time and cost to find a perfect photographer for an event and to give a support to photographers for there works.

3. Specify the Viewers/Public which is to be involved in the System?

*Admin
Photographer
customer*

4. List the Modules included in your System?
